## From The Desk of Principal

### **Mrs. Sharmila Singh Principal**

*As the Principal of the school, I feel honoured and privileged to be the part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our teachers, parents & staffs. I believe in upholding high standards with an absolute commitment to strive to understand and to improve the educational process, using team strategies, while wholly centering on students achievement. Our staffs fruitfully employ two diverse strategies that are of Love and Logic to foster a positive learning environment for all our students. Your child's learning involves and revolves around an effective partnership between home & school. Your child's learning involves and revolves around an effective partnership between home & school. We know the stronger the partnership is the more your child will benefit.
